Other Resources Scholarly Metrics Instructions

ImpactStory:
At the homepage for ImpactStory, http://impactstory.org/ make an Impact Profile by clicking on “Make my impact profile” and entering requested information and your documents.

Once you have created your profile it will look similar to this:

Note that blue is a measure of scholarly impact and green is public impact.
**PLOS Metrics:**
From the homepage of PLOS, [http://www.plos.org](http://www.plos.org) go to the publication and article that you wish to view. Once in the article select the “Metrics” tab.

Once in the Metrics tab you can view the metrics information.
