CAS Online Placement Exam

- The CAS Online Placement exam focuses on vocabulary, grammar and reading, with 100 multiple choice questions but without containing speaking, listening and writing components.

- If a student is placed into Advanced Chinese I or the higher levels, an additional writing part will be required to help with the evaluation.

- Please be noted that this test is only available once per NYU account per 18 month. If you meet any technical issues during the test, please email to shanghai.chinese.placement@nyu.edu for help.
